**Councilman Michael Julian Bond to Present Proclamation to Millie Jackson**

**ATLANTA** – Atlanta City Councilmember Michael Julian Bond will honor Multi Talented Entertainer Millie Jackson with a proclamation and reception Monday, May 2 during the Atlanta City Council meeting.

The public is invited to come meet Ms. Jackson at a 12:00 p.m. reception at Atlanta City Hall 2<sup>nd</sup> floor Southwest Atrium adjacent to Atlanta City Council Chamber.

Millie Jackson's singing career began in a Harlem nightclub talent contest in 1964 and the rest is R&B history. Her musical career includes records that have become classics – influencing many of today's vocalists.

The multi-talented entertainer is a music industry icon with six certified gold albums. The duet she recorded in 1985 with Elton John made the pop chart and resulted in her becoming a crossover artist.

Despite her phenomenal rise to fame, touring the world and receiving numerous awards along the way, Millie Jackson has kept a level head and a winning spirit.

For more information, please call Councilmember Bond's office at (404) 330-6770.
